 Raise AMR Remove Request 6

Purpose

The purpose of this SOP is to define the process for raising an AMR Remove Request when an Automated Meter Reading (AMR) device needs to be removed from a customer's meter.

When to Use

An AMR remove request should be raised in the following situations:

- The customer requests removal of the AMR device.
- The meter is being replaced or upgraded.
- The AMR device is faulty or damaged.
- The property is being disconnected or vacated.
- AMR service is no longer required for the account.

Steps to raise an AMR Remove request

Login to Portal

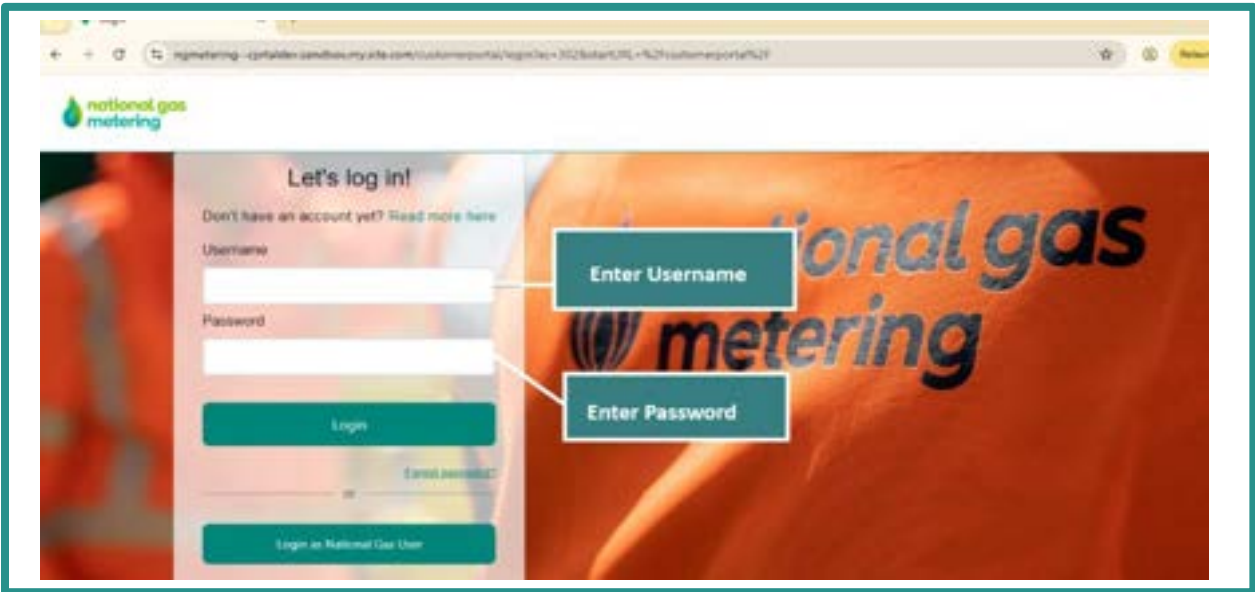

Open any web browser (chrome/edge) in the system and enter the URL below in the URL bar.

The URL to login to the customer portal is:

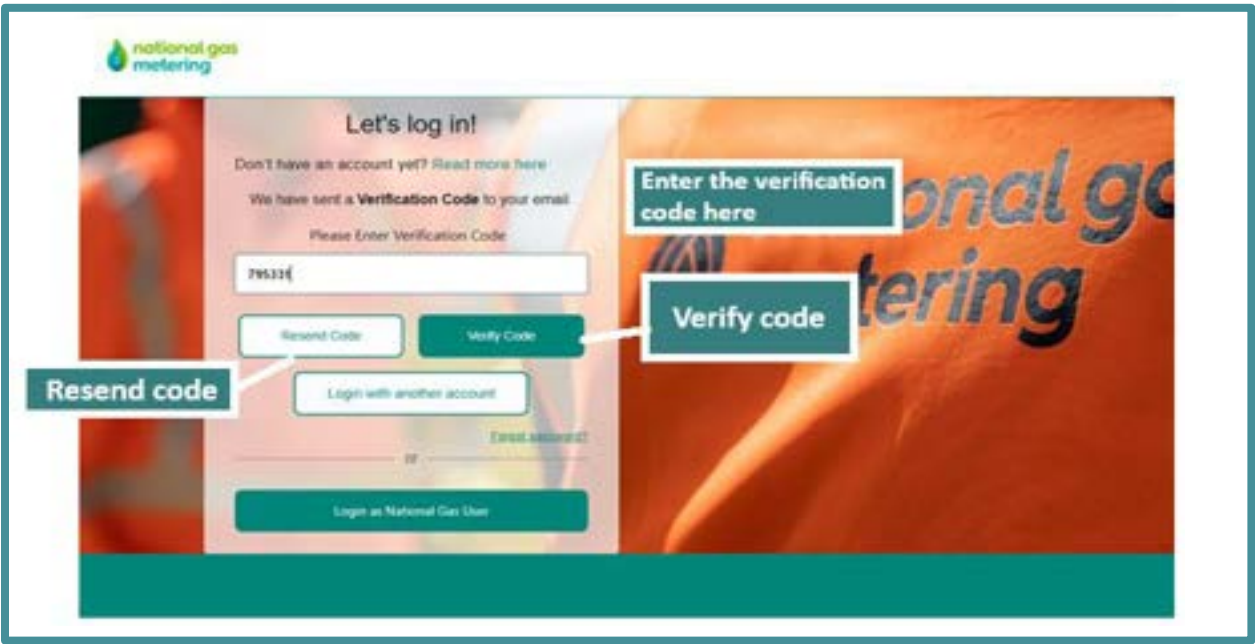

<https://ngmcustomerportal.nationalgas.com/customerportal/login?ec> and press enter.

Enter the username and password, click on login.

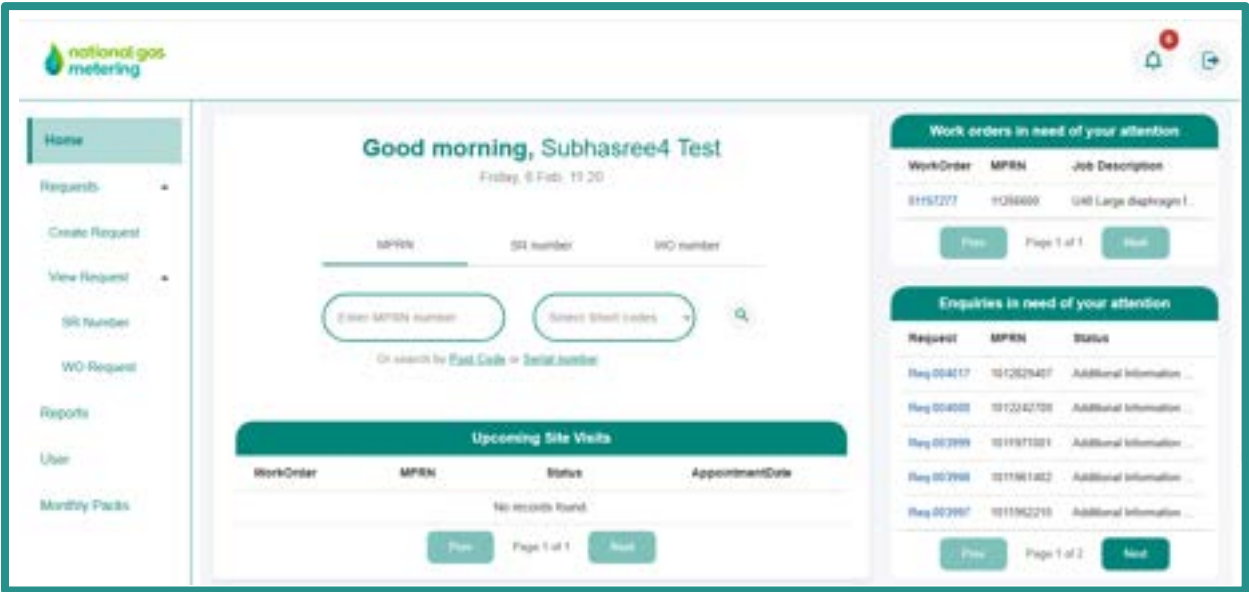

Enter the verification code which is sent to the associate mail id and click on verify code.
