job 12

Purpose

To verify that the Customer Work Request (CWR) has been successfully created and to track its progress using the Job Number generated.

Steps to raise Customer work Request

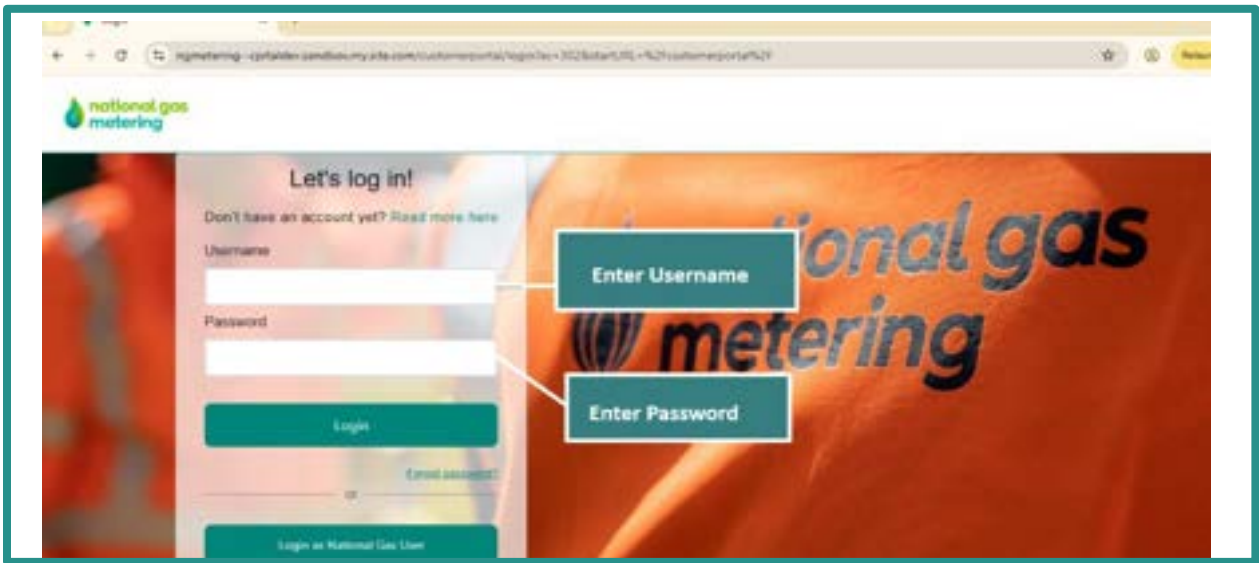

Login to Portal

Open any web browser (chrome/edge) in the system and enter the URL below in the URL bar.

The URL to login to the customer portal is:
<https://ngmcustomerportal.nationalgas.com/customerportal/login?ec> and press enter.

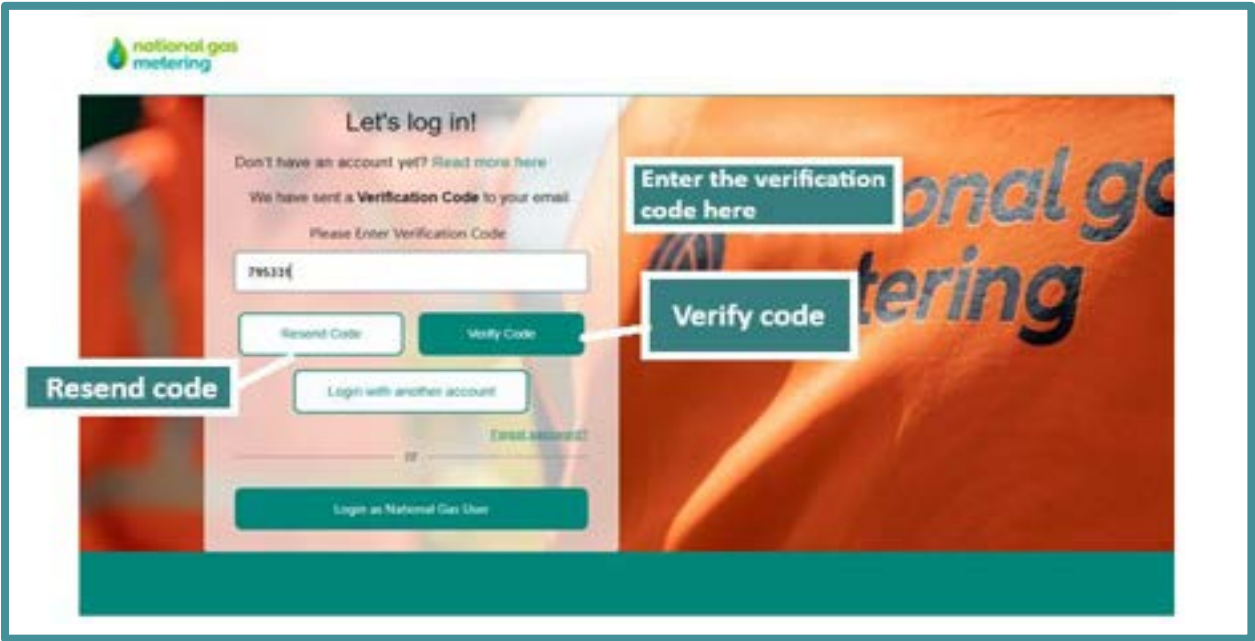

Enter the username and password, click on login.

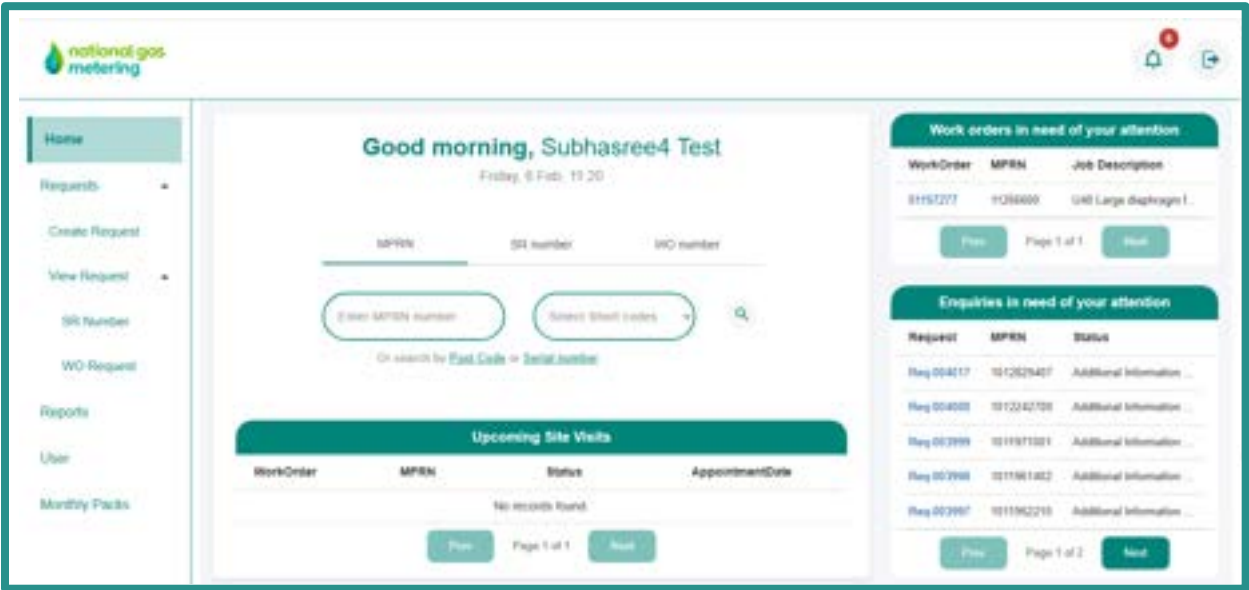

Customer Metering Portal

Enter the verification code which is sent to the associate mail id and click on verify code.

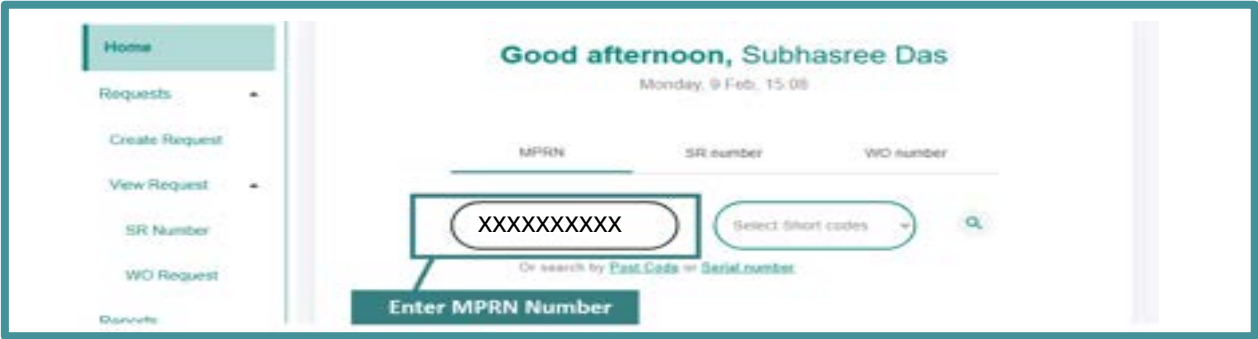

After logging in, the home screen of the customer portal is displayed.

The Home Screen will display the MPRN Search panel in the Centre of the screen.

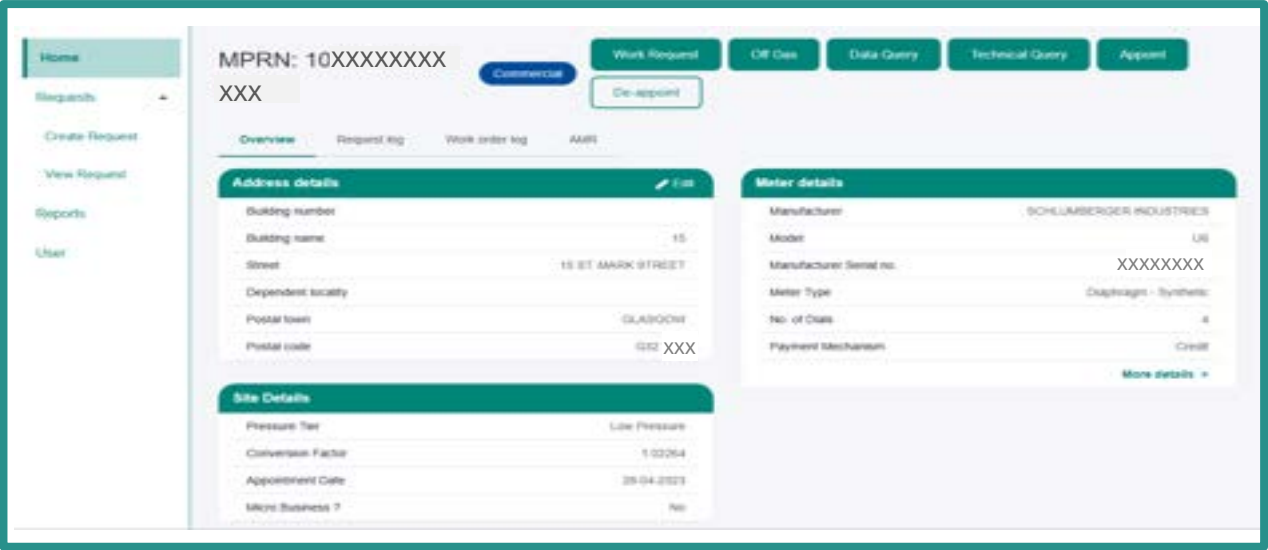

Search and Open MPRN

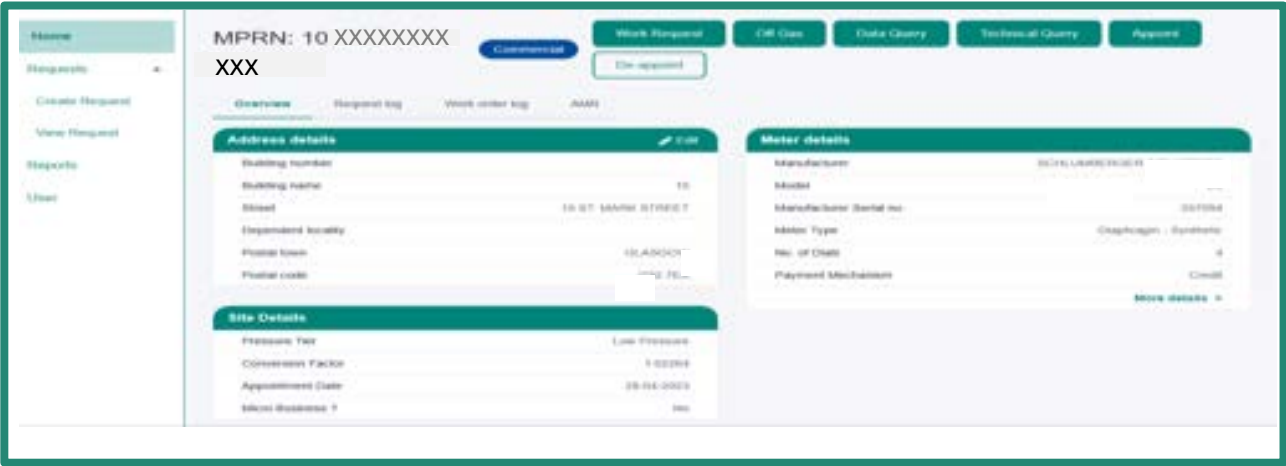

Enter the MPRN and click on search icon

MPRN overview page with MPRN details is displayed.
Validate the Supplier short code, MPRN category (e.g., Residential or Commercial), address and site details, Meter and converter (if present) details.

Click on work request button to raise any Customer Work Request

Raise Work Request

Create request page is displayed with MPRN , supplier short code , address details and asset details.
