Fill in the Contact details (on-site) information as Title, Name, Contact Number, Email Address (optional), Meter Access Instruction (optional), Upload Photos(optional).

Check the consent box and click on submit request button.

The screenshot shows a web form titled "Contact details (on-site)". It contains several input fields: "Title" with a dropdown menu showing "Mr", "Name" with a text box containing "Cole", "Contact number" with a text box containing "62891097635", "Email Address (optional)" with a text box containing "soy 78@gmail.com", and "Meter access instructions (optional)" with a text box containing "call on reaching site". There is a red text indicator "234 characters remaining" below the instructions box. An "Upload Photos (Optional)" section features a "Drag & drop files here" area with a link "Select photos from device" and a preview of an uploaded image labeled "image (22).jpg (26.7 KB)". At the bottom, there is a checkbox labeled "Please tick here to confirm that consent has been obtained from the named individual for their personal data to be passed to third parties, for the purposes of performing the specified works, by means of a suitable Data Privacy Notice and explicit consent agreement". Below the checkbox are two buttons: "Submit Request" and "Cancel".

Request is created successfully and in the pop up Service request number is provided.

The screenshot shows a "Request submitted" pop-up message. The message text reads: "Request successfully submitted on the 19/02/2026", "Service request number created: SR-1968249", and "An engineer will visit on 27/02/2026 during the appointment slot between 12:00 and 20:00(PM)". There is an "Ok" button at the bottom right of the pop-up.
