Purpose

This procedure explains how to select and book the appropriate appointment date and time slot for the jobs when raising an urgent work request for an NGM meter.

When to Use

Appointment date and time slot selection is required during urgent work request creation to define when engineer attendance will begin or when the work is considered to have started.

Procedure to select Appointment Date & Time while Raising Urgent Work Request

Login to Portal

Open any web browser (chrome/edge) in the system and enter the URL below in the URL bar.

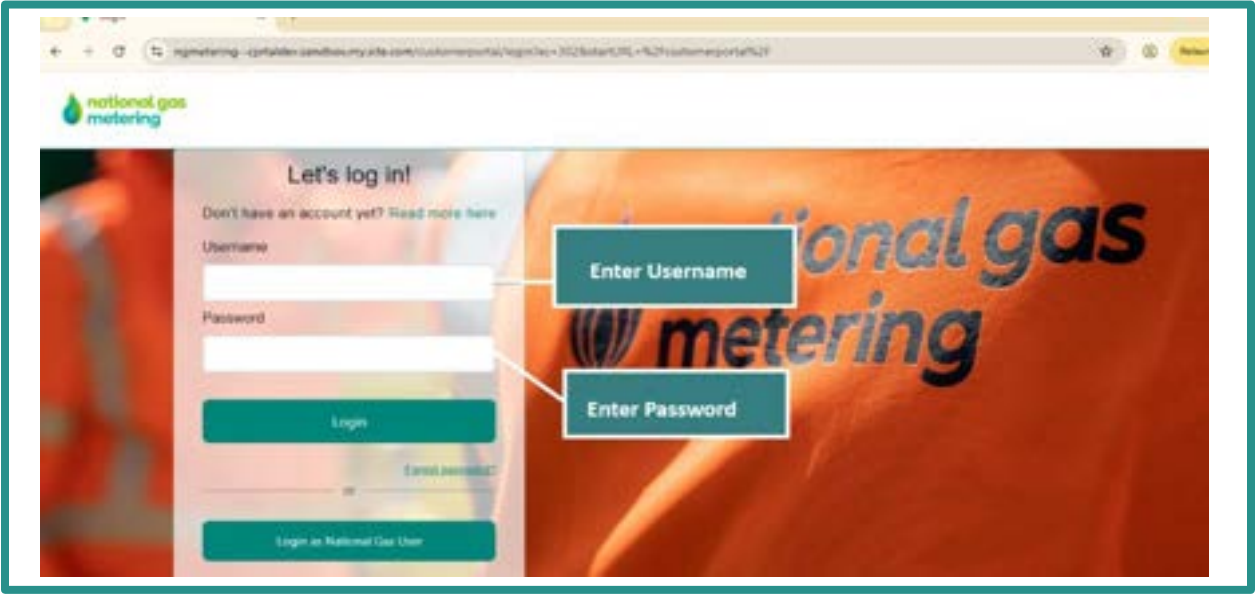

The URL to login to the customer portal is:

<https://ngmcustomerportal.nationalgas.com/customerportal/login?ec> and press enter.

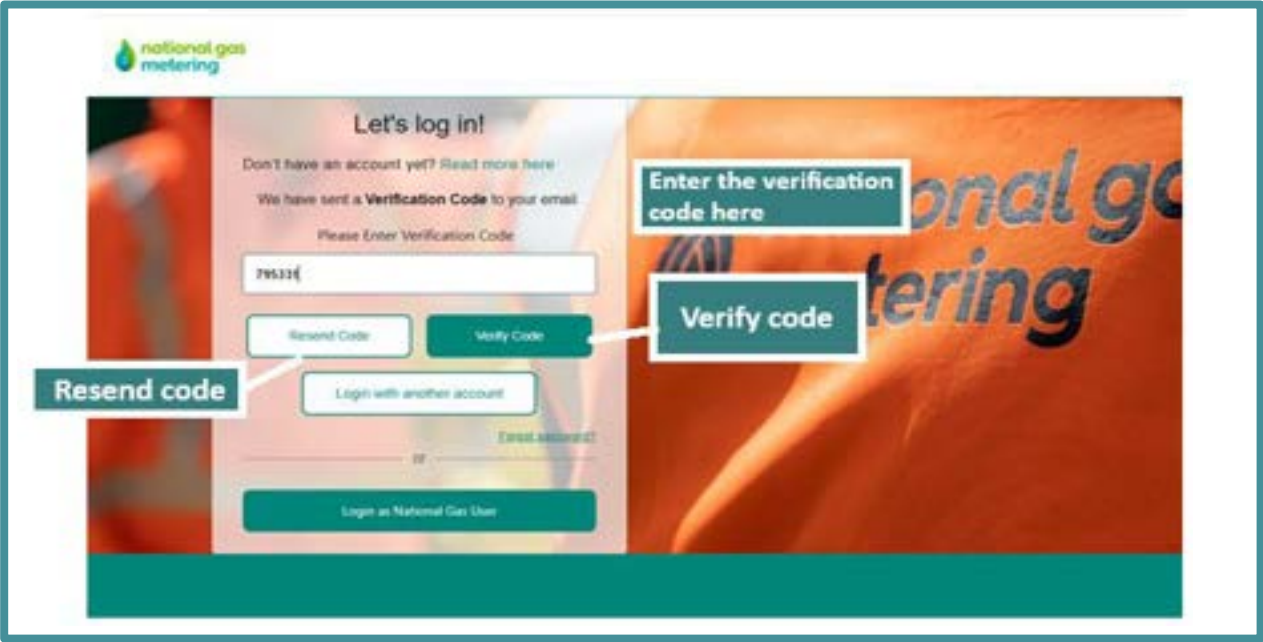

Customer Metering Portal

Enter the username and password, click on login.

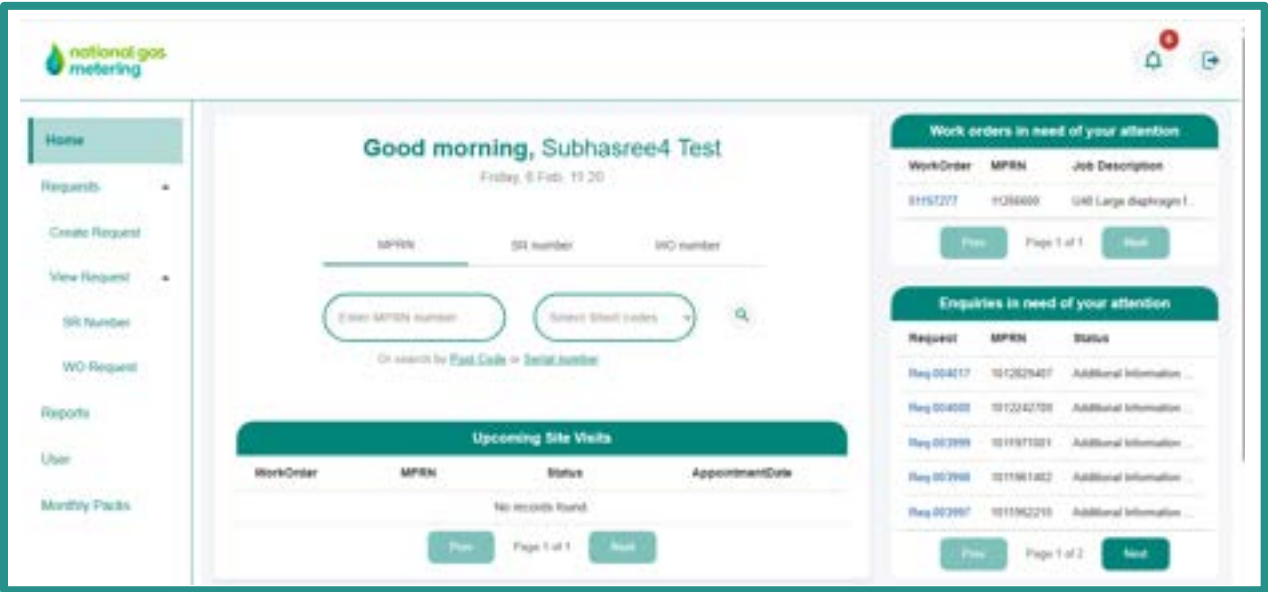

Enter the verification code which is sent to the associate mail id and click on verify code.

Customer Metering Portal

After logging in, the home screen of the customer portal is displayed.

The Home Screen will display the MPRN Search panel in the Centre of the screen.

Search and Open MPRN

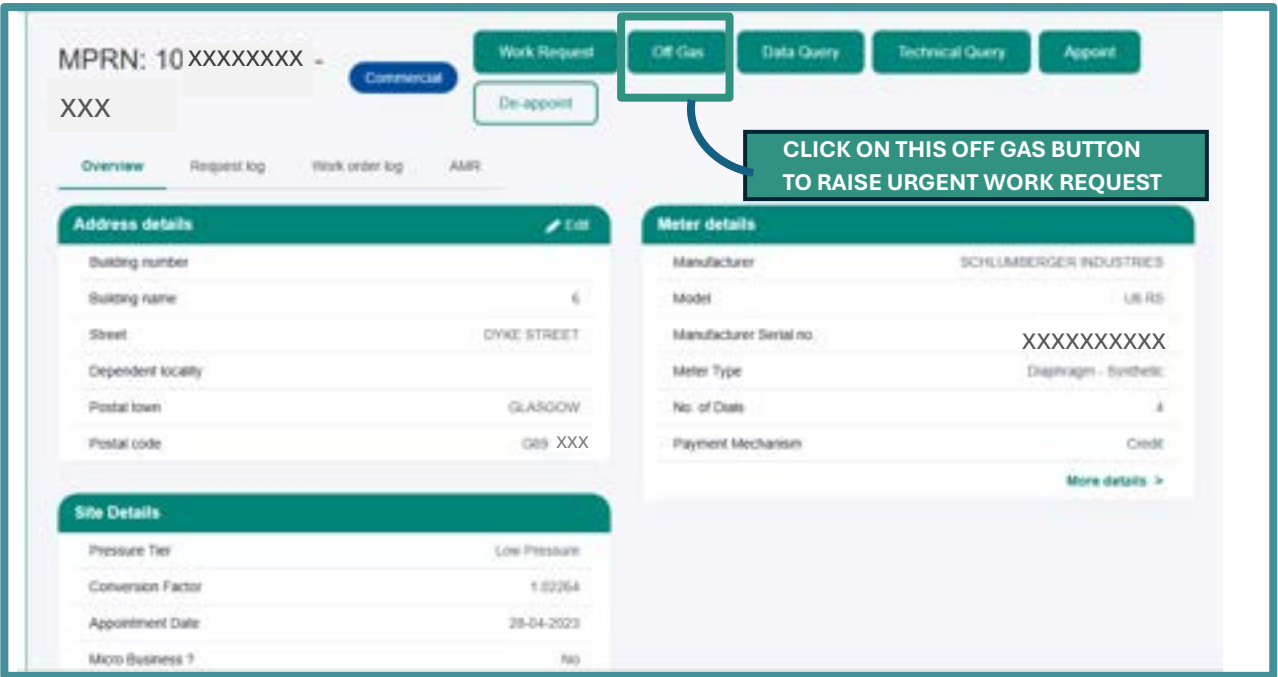

Enter the MPRN and click on search icon

MPRN overview page with MPRN details is displayed.

Validate the Supplier short code, MPRN category (e.g., Residential or Commercial), address and site details, Meter and converter (if present) details.

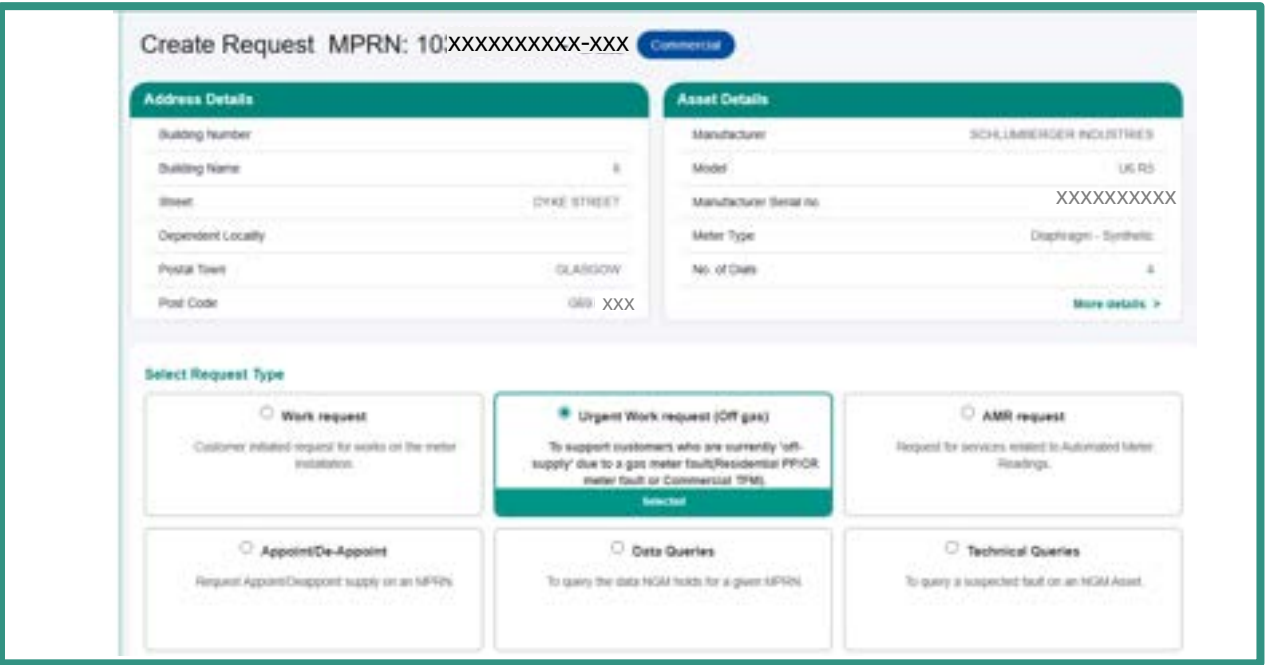

Click on Off Gas button to raise an urgent work request for the MPRN

Raise Urgent Work Request

Create request page is displayed with MPRN , supplier short code , address details and asset details.

Under select request type Urgent Work Request (Off Gas) is pre-selected automatically

Under Select Job type, Job type is automatically selected. If not then select the required job type

The screenshot shows two sections of the portal. The 'Select Request Type' section has six options: 'Work request' (radio button), 'Urgent Work request (Off gas)' (radio button, selected, with a green bar at the bottom saying 'Selected'), 'AMR request' (radio button), 'Appoint/De-Appoint' (radio button), 'Data Queries' (radio button), and 'Technical Queries' (radio button). The 'Select Job Type' section has one option: 'Faulty Credit' (radio button, selected, with a green bar at the bottom saying 'We recommend this based on the asset details').

Selecting Start time for the Urgent Work Request

Select the start time of the job. User must select one of the following start options:

- **Start Now** – This option is used when engineer will attend the job immediately.
- **Pick Date and Time** – Use when engineer attendance must occur at a specific planned time and date.

The screenshot shows the 'Select Start' section with three options: 'Start Now' (radio button), 'Pick Date/Time' (radio button), and 'Retrospective' (radio button). Each option has a description of when it should be used. At the top of the section, there is a note: 'If asset details are incorrect call: 0800 111 999'.

Start Now

User have to select this option when the job requires immediate start

Steps:

Select Start Now.

Fill in the Contact details (on-site) information

Check the Consent box and click on submit request button

The screenshot shows the 'Request New Appointment' form. At the top, there are three radio button options under the heading 'Select Start': 'Start Now' (selected), 'Pick Date/Time', and 'Retrospective'. Below these are three columns of text explaining each option. The 'Start Now' option is highlighted with a green box and an arrow pointing to it from the annotation 'Fill in the contact details'. The main form area contains fields for 'Title*', 'Name*', 'Contact number*', 'Email Address(Optional)', 'Meter access instructions (Optional)', and 'Upload Photos (Optional)'. The 'Name*' field is highlighted with a green box and an arrow pointing to it from the annotation 'Fill in the contact details'. Below the 'Meter access instructions' field, there is a red text indicator '234 characters remaining'. At the bottom, there is a checkbox for consent, a 'Submit Request' button, and a 'Cancel' button. The 'Submit Request' button is highlighted with a green box and an arrow pointing to it from the annotation 'Check the consent box and click on submit request button'.

Select Start

☒ **Start Now**
For an engineer to attend within the agreed SLA upon submission of the request.

☐ **Pick Date/Time**
For an engineer to attend within the agreed SLA from the start time of the appointment slot selected.

☐ **Retrospective**
To raise a request on a past dated appointment for retrospective completion by NCM.

Submit Request Cancel

Request is created successfully with a pop up containing Service request number and Job SLA.

Note: Start now Job SLA for commercial Urgent work request is next 4 hours

Start now Job SLA for Residential Urgent work request is next 3 hours

Operational Availability of Start Now Option

The **Start Now** option is available to users only during defined operational service hours based on asset category.

Commercial Sites- 09:00 AM – 05:00 PM (Both Working Days and Weekend/Bank holidays)

Residential Sites- 08:00 AM – 08:00 PM (Working Days)

09:00 AM – 05:00 PM(Weekends and Bank Holidays)

If user tries to raise urgent work request by selecting **Start Now** option **outside business hours**, error message is displayed

Error Message: You cannot submit an immediate start urgent work request during non working hours. Please reach out to 0800 001 4340 if this is needed immediately.

Pick Date/Time

User have to select this option when the Urgent Work Request job needs to be raised for a specific Appointment date and time slot.

Steps:

Select Pick Date/Time.

Select the required Appointment Date from the calendar pop up

Select the required Appointment time slot from the picklist

For commercial Urgent Work Request, the Appointment Time Slots are:

- 08:00-12:00(S1)
- 10:00-14:00(S2)
- 12:00-16:00(S3)
- 14:00-18:00(S4)
- 16:00-20:00(S5)

The screenshot shows the 'Select Start' section of the portal. It has three radio buttons: 'Start Now' (unselected), 'Pick Date/Time' (selected), and 'Retrospective' (unselected). Below these are three boxes explaining each option. The 'Pick Date/Time' box is highlighted with a green border and a 'Selected' button. Below this, there are fields for 'Select Appointment Date' (showing 24/02/2020) and 'Select Appointment slot' (showing 'Choose time slot'). A dropdown menu is open for the time slot, listing six options: 08:00 - 12:00(S1), 10:00 - 14:00(S2), 12:00 - 16:00(S3), 14:00 - 18:00(S4), 16:00 - 20:00(S5), and 18:00 - 21:00(S6). Below the time slot selection is the 'Contact details (on-site)' section with fields for 'Title*', 'Name*', 'Contact number*', and 'Email Address(optional)'. There are also input fields for 'Enter contact number' and 'Enter Email Address'.

For Residential Urgent Work Request, the Appointment Time Slots are:

- 08:00-11:00(S1)
- 10:00-13:00(S2)
- 12:00-15:00(S3)
- 14:00-17:00(S4)
- 16:00-19:00(S5)
- 18:00-21:00(S6)

This screenshot is identical to the one above, showing the 'Select Start' section of the portal. It highlights the 'Pick Date/Time' option and the time slot dropdown menu. The time slot options are: 08:00 - 11:00(S1), 10:00 - 13:00(S2), 12:00 - 16:00(S3), 14:00 - 17:00(S4), 16:00 - 19:00(S5), and 18:00 - 21:00(S6). The 'Contact details (on-site)' section is also visible with fields for 'Title*', 'Name*', 'Contact number*', and 'Email Address(optional)'.

Fill in the Contact details (on-site) information

Check the Consent box and click on submit request button.

The screenshot shows the 'Contact details (on-site)' section of the portal. It has fields for 'Title*' (dropdown), 'Name*' (dropdown), 'Contact number*' (text input), and 'Email Address(optional)' (text input). Below these are fields for 'Meter access instructions (Optional)' (text input) and 'Upload Photos (Optional)' (file upload area). At the bottom, there is a 'Consent' section with a checkbox and a 'Submit Request' button. The 'Consent' section text reads: 'Please tick here to confirm that consent has been obtained from the named individual for their personal data to be passed to third parties for the purposes of performing the specified works, by means of a suitable Data Privacy Notice and explicit consent agreement'. The 'Submit Request' button is highlighted with a green border.

Request is created successfully and in the pop up Service request number with Appointment date and time details in displayed.
