MPRN Search Instructions4

 Steps to search for MPRN having Dual supplier.....5

 Steps to search for MPRN having Single supplier.....6

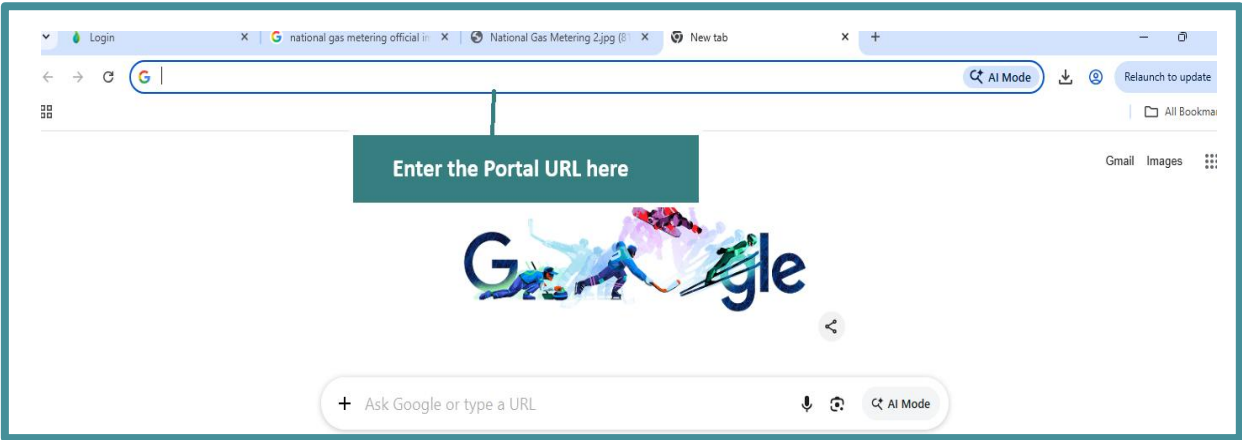

Purpose

This document explains how to identify whether an MPRN belongs to a Dual Asset Portfolio (more than one asset/service linked to the same supplier), or a Single Supplier Asset Portfolio (only one active asset linked to the supplier).

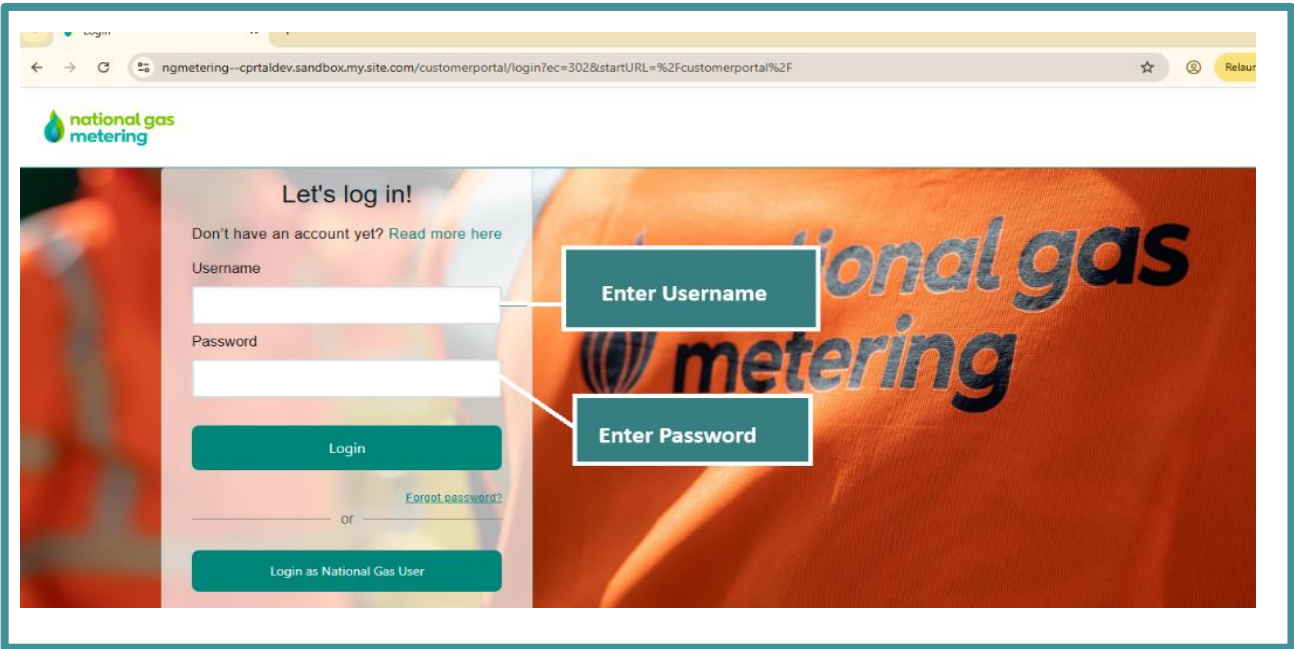

Login to Portal

Open any web browser (chrome/edge) in the system and enter the URL below in the URL bar.

The URL to login to the customer portal is: <https://ngmetering-cprtaldev.sandbox.my.site.com/customerportal/> and press enter.

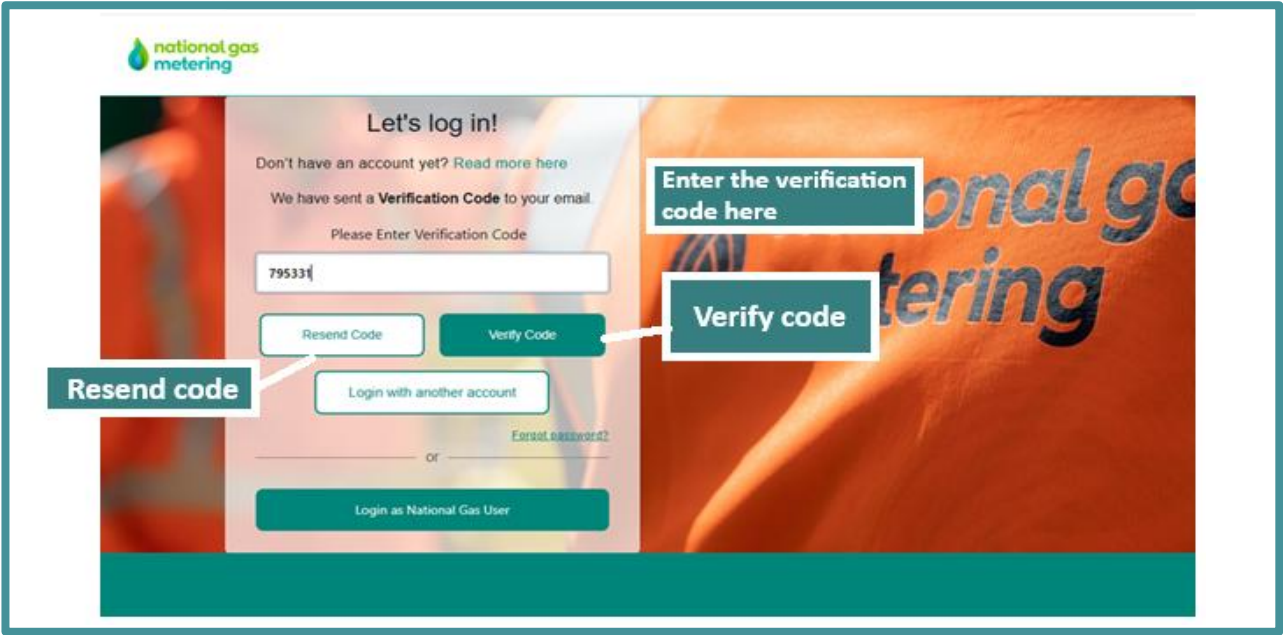

Enter the username and password, click on login.

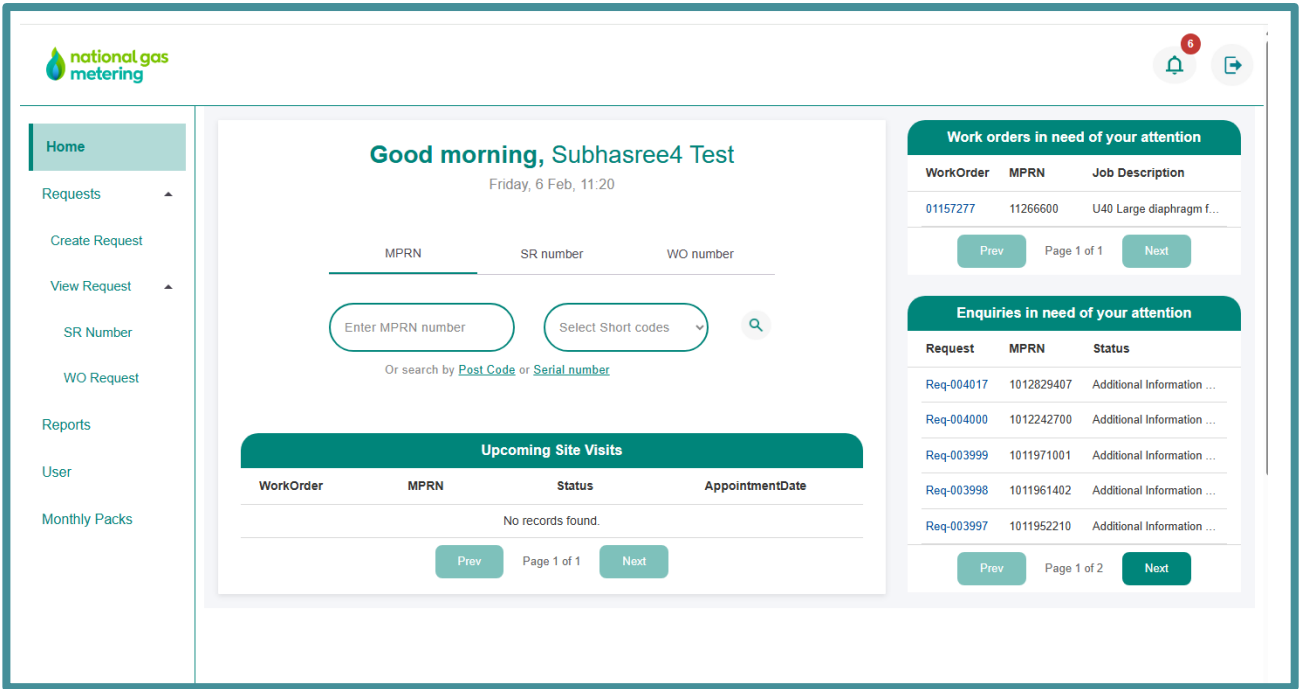

Customer Metering Portal

Enter the verification code which is sent to the associate mail id and click on verify code.

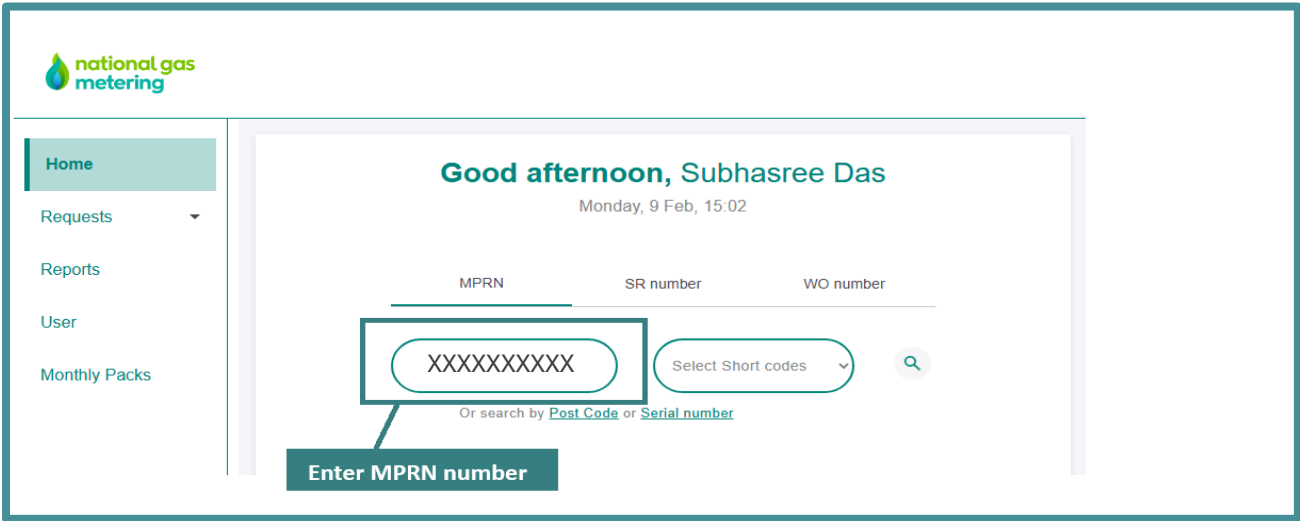

After logging in, the home screen of the customer portal is displayed. The Home Screen will display the MPRN Search panel in the Centre of the screen.

MPRN Search Instructions

- Steps to search for MPRN having Dual supplier:

Enter the MPRN and click on search icon

The list of MPRN with the associated dual suppliers appears

User can select any one of the MPRNs from the list to open its overview page and click on confirm selection

MPRN overview page with MPRN details is displayed.

Validate the supplier code mentioned in the header, it should be same as the supplier code user selected from the list.

Also validate the MPRN category (e.g., Residential or Commercial), address and site details, Meter and converter (if present) details.

The screenshot shows the MPRN overview page. On the left is a sidebar with links: Home, Requests (with a dropdown arrow), Create Request, View Request, Reports, and User. The main content area has a header with 'MPRN: 10XXXXXXXX' and 'XXX' below it. There are buttons for 'Commercial', 'Work Request', 'Off Gas', 'Data Query', 'Technical Query', 'Appoint', and 'De-appoint'. Below the header are tabs: Overview (selected), Request log, Work order log, and AMR. The 'Overview' tab contains three sections: 'Address details' (with an 'Edit' icon), 'Meter details', and 'Site Details'. Each section contains a table of information.

Address details	
Building number	
Building name	12
Street	12 TRAINARD AVENUE
Dependent locality	
Postal town	GLASGOW
Postal code	XXX XXX

Meter details	
Manufacturer	SCHLUMBERGER INDUSTRIES
Model	U6 R5

• Steps to search for MPRN having Single supplier:

Enter the MPRN and click on search icon

The screenshot shows the search interface. On the left is a sidebar with links: Home, Requests (with a dropdown arrow), Create Request, View Request (with a dropdown arrow), SR Number, WO Request, and Reports. The main content area has a header with 'Good afternoon, Subhasree Das' and 'Monday, 9 Feb, 15:08'. Below the header are three input fields: MPRN, SR number, and WO number. The MPRN field contains 'XXXXXXXXXX' and is highlighted with a red box. Below the MPRN field is a button labeled 'Enter MPRN Number'. To the right of the MPRN field is a dropdown menu labeled 'Select Short codes' and a search icon. Below the input fields is a link that says 'Or search by Post Code or Serial number'.

MPRN overview page with MPRN details is displayed.

Validate the Supplier short code, MPRN category (e.g., Residential or Commercial), address and site details, Meter and converter (if present) details.
