Purpose

This document guides users on how to validate and download various reports from customer portal.

Steps to Download Reports from the Portal

Only Gas Agent managers will have the access to download reports from the portal.

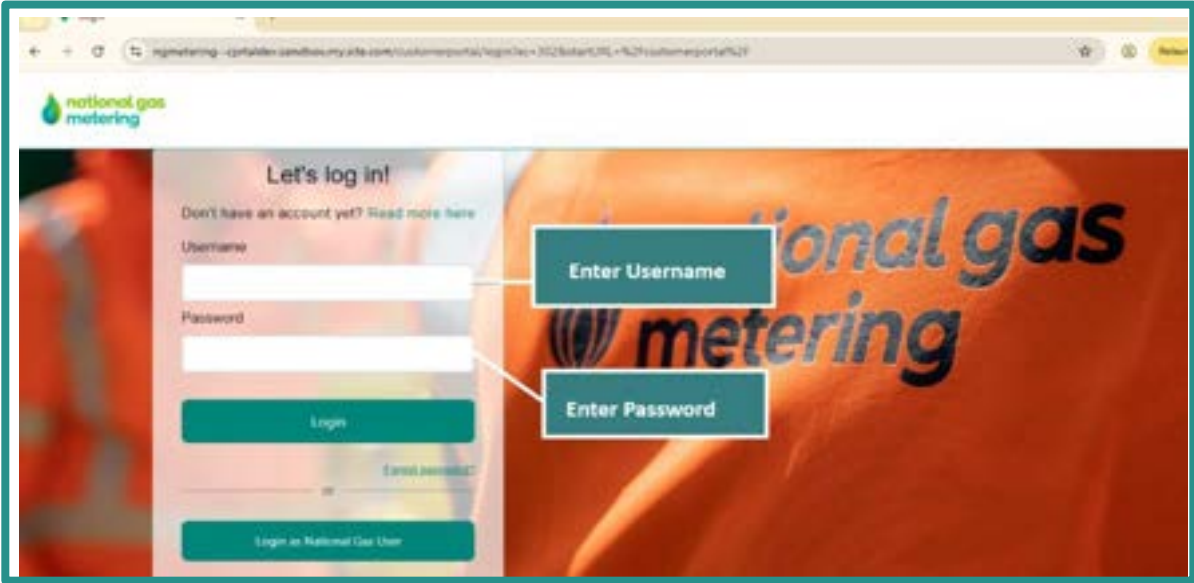

Login to Portal

Open any web browser (chrome/edge) in the system and enter the below URL in the URL bar

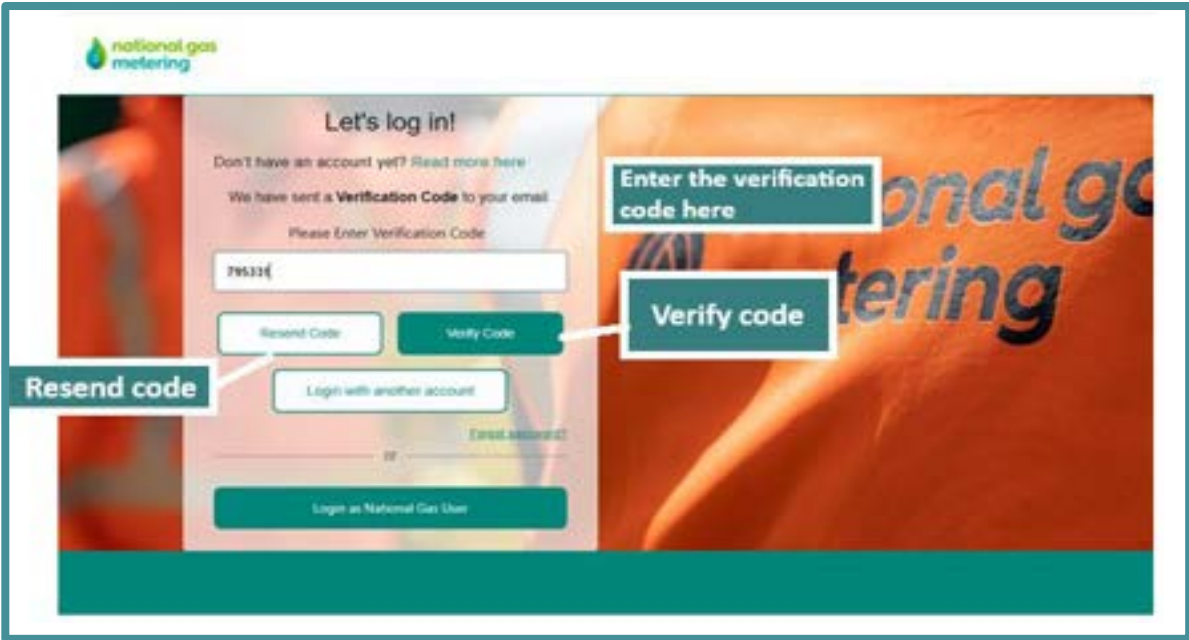

The URL to login to the customer portal is:
<https://ngmcustomerportal.nationalgas.com/customerportal/login?ec> and press enter

Enter the username and password, click on login.

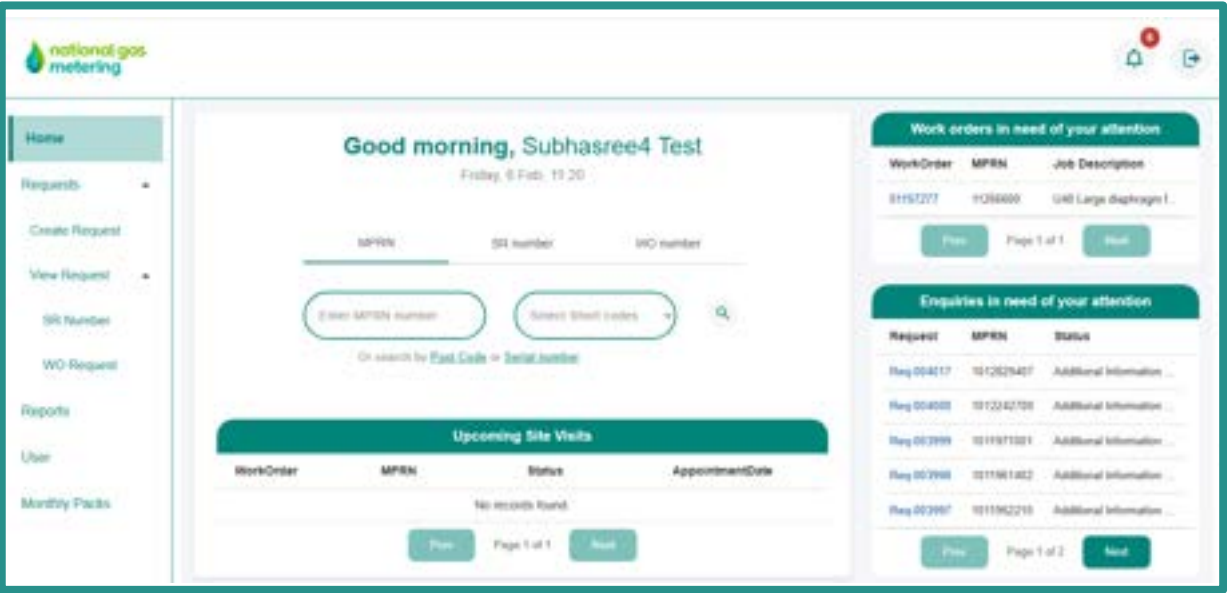

Enter the verification code which is sent to the associate mail id and click on verify code.

Customer Metering Portal

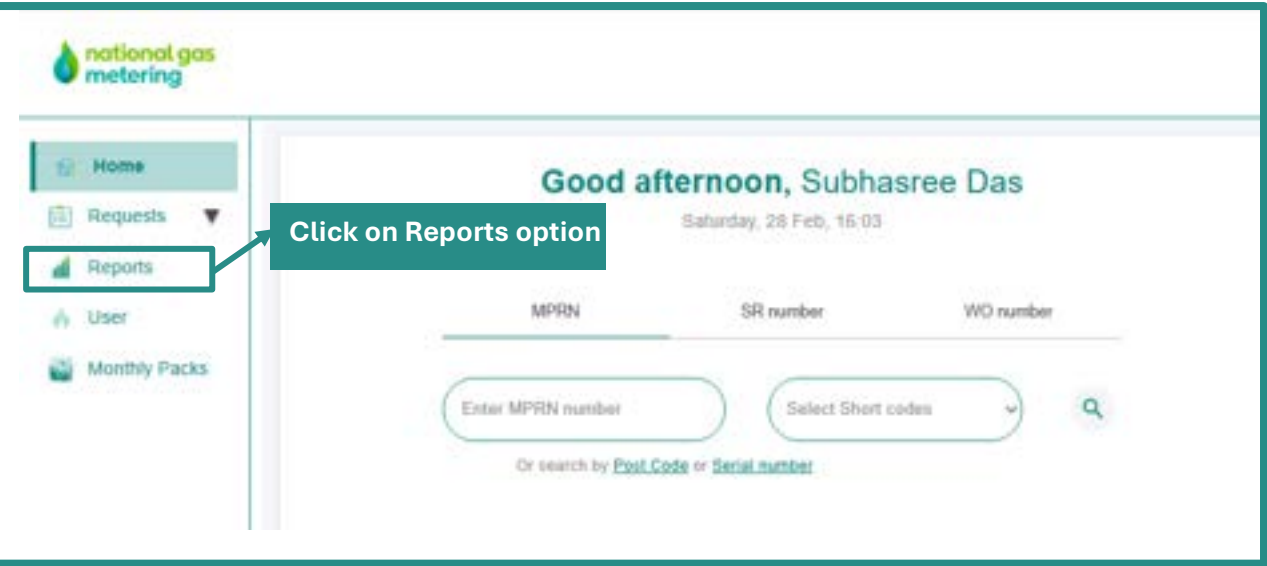

After logging in, the home screen of the customer portal is displayed.

The Home Screen will display the MPRN Search panel in the Centre of the screen.

Navigate to Reports

Click on Reports option

List view of all the reports are displayed.

User can choose to open any reports from the list by clicking on it.

View Reports

Validate all the fields and details present inside the reports.

User can navigate to different pages of the report using the Prev and Next button.

User can also open any specific record by clicking on the Request number.

To download the export of the report in the local system, click on Export button and the report gets downloaded .

To navigate back to the list view of reports click on the Back Button.
