Purpose

This procedure describes how to update the address details linked to an MPRN to ensure accurate site identification and correspondence.

When to Use

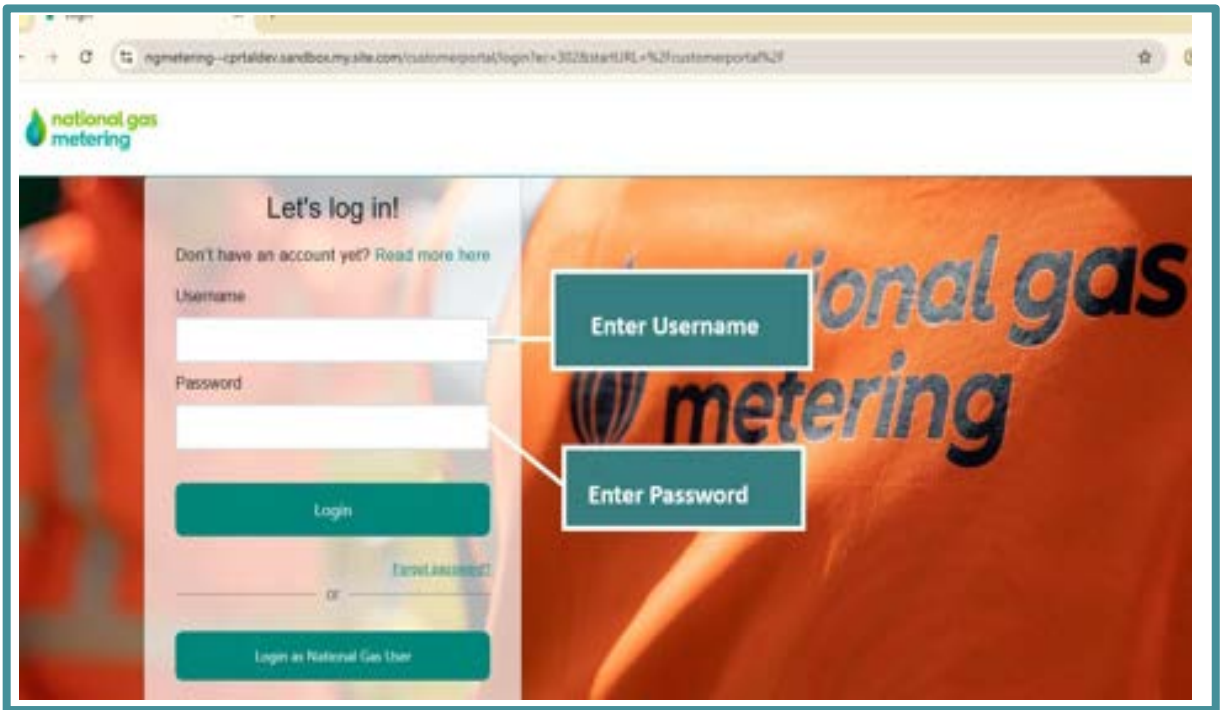

Address details may need to be edited when:

- The MPRN has an incorrect or incomplete address
- Postal code or building information is missing
- Property name/number has changed

Steps to update address details:

Login to the customer portal

Login to the customer portal using valid username and password

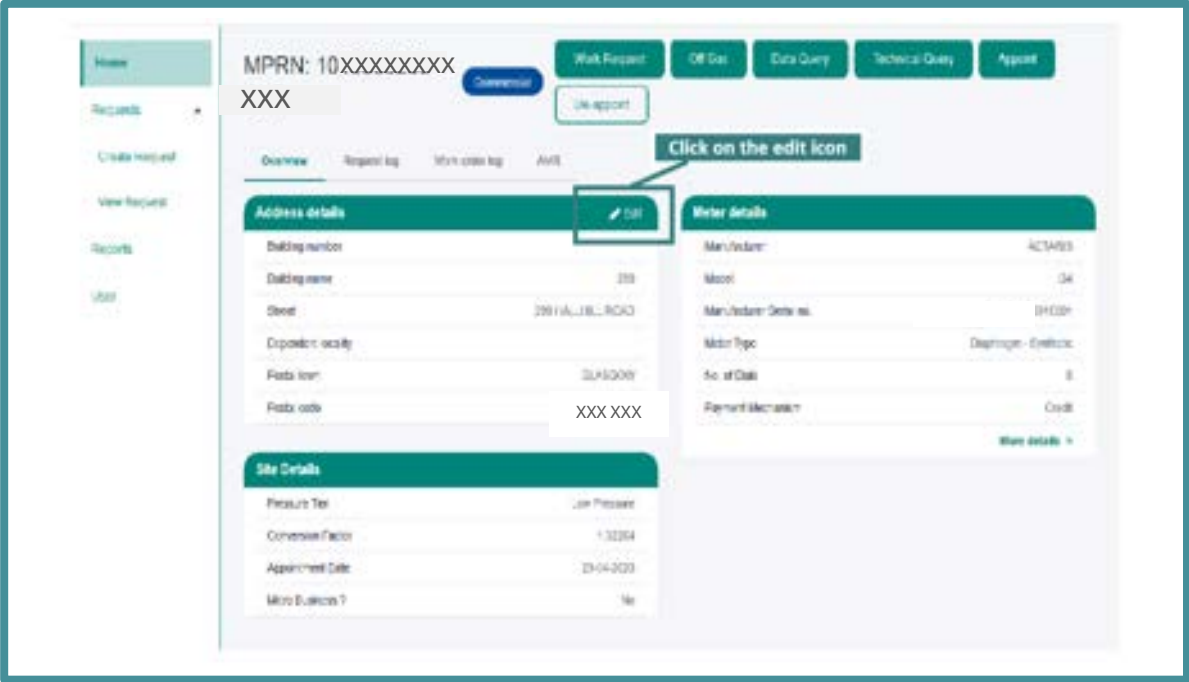

Search for the MPRN

Enter the MPRN in the MPRN search box and click on search icon

View the MPRN Overview Page

Once the search is completed, the MPRN overview page is displayed.

Click the Edit Icon and update the required address fields

Select the edit icon to begin editing the address details.
Enter the updated information in the fields that need changes — e.g., Building number/name, Street, Locality, postcode, or correcting incomplete data.

MPRN: 10XXXXXXXX
XXX
