Customer Metering Portal

After logging in, the home screen of the customer portal is displayed.

The Home Screen will display the MPRN Search panel in the Centre of the screen.

Navigate to Raise a Complaint Option

Navigate to the footer options located at the bottom of the home screen, and click on **Raise a Complaint** option.

Raising Complaint

Complaint form is displayed on clicking **Raise a Complaint** option.

User must fill up the details in the form based on the issue for which complaint is getting raised.

A screenshot of a web browser displaying the 'National Gas Metering' Complaint Form. The form is titled 'Complaint Form' and contains several sections. The first section, 'What would you like to contact us about?', includes a dropdown menu for 'Select an Option', a sub-category dropdown, and radio buttons for 'MPRN', 'Job Number', and 'N/A'. Below this is a text area for 'Please provide an MPRN or Job Number' and a dropdown for 'Commercial/Residential'. The second section, 'Customer Address Details', includes fields for 'Full Customer Name', 'Full Customer Email', 'Full Customer Number', and 'Full Customer Street Address'. There is also a section for 'Issue Details/Problem/Other Report' with a 'Description' text area and a 'Priority' dropdown. A 'Upload Files' button is at the bottom left.

Select the issue topic for which user want to raise complaint for the question “What would you like to contact us about?”

Select the sub category for the issue.

Select any options between MPRN, Job number, N/A for the question “Do you know the MPRN or Job number”

Provide the MPRN or job number for which complaint is getting raised

Then select if the complaint is for commercial or residential.

Then Provide the query details by following the given sample query descriptions

Then fill up the customer address details and upload supporting document for the complaint raised and click on submit.
