Purpose

To define the standardized process for replanning a Non standard Work Request (WR) with correct consumer and site details.

Procedure to Request Replan for a Non Standard Work Request

Users can only submit a request for replanning of a Non-Standard Work request through Customer Portal. On receiving the request National Gas metering will action replan on the Non-standard work request.

Please follow the steps below to request replan:

Raising Non- Standard Work Request - Install Rotary Meter

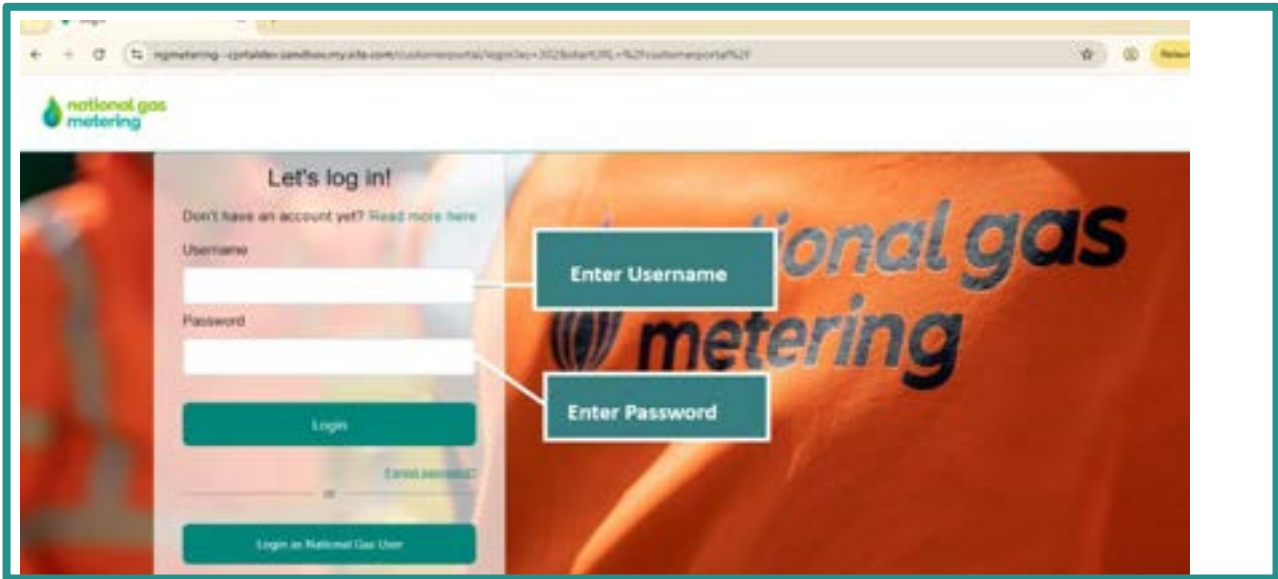

Login to Portal

Open any web browser (chrome/edge) in the system and enter the URL below in the URL bar.

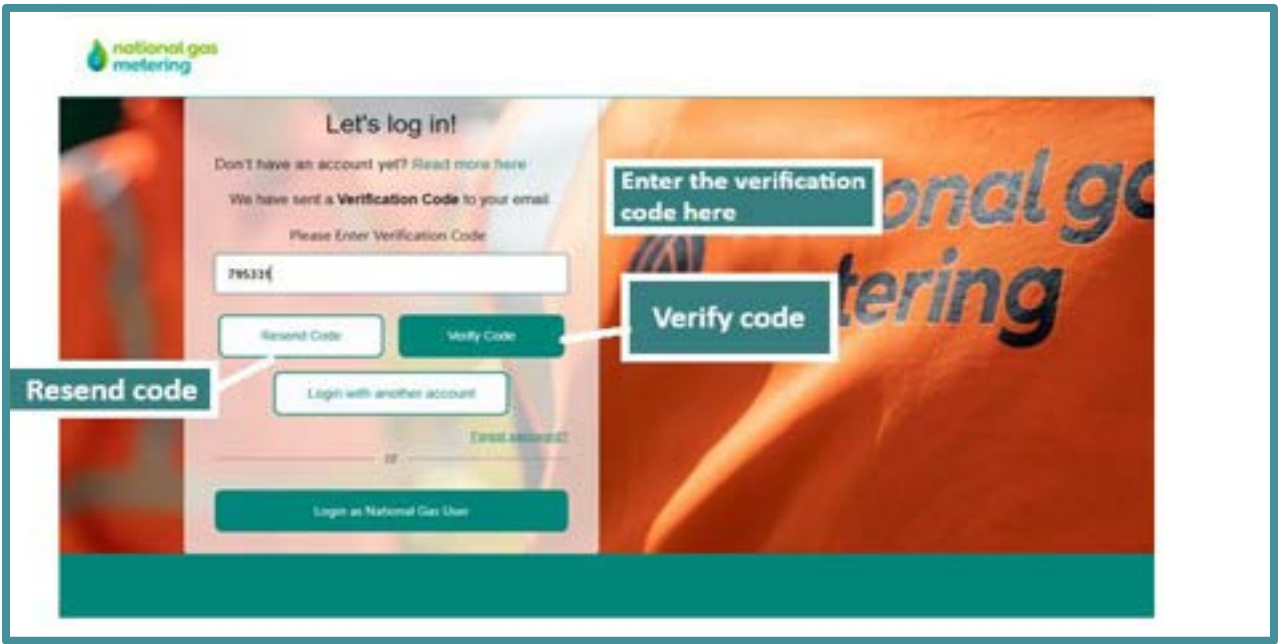

The URL to login to the customer portal is:
<https://ngmcustomerportal.nationalgas.com/customerportal/login?ec> and press enter.

Enter the username and password, click on login.

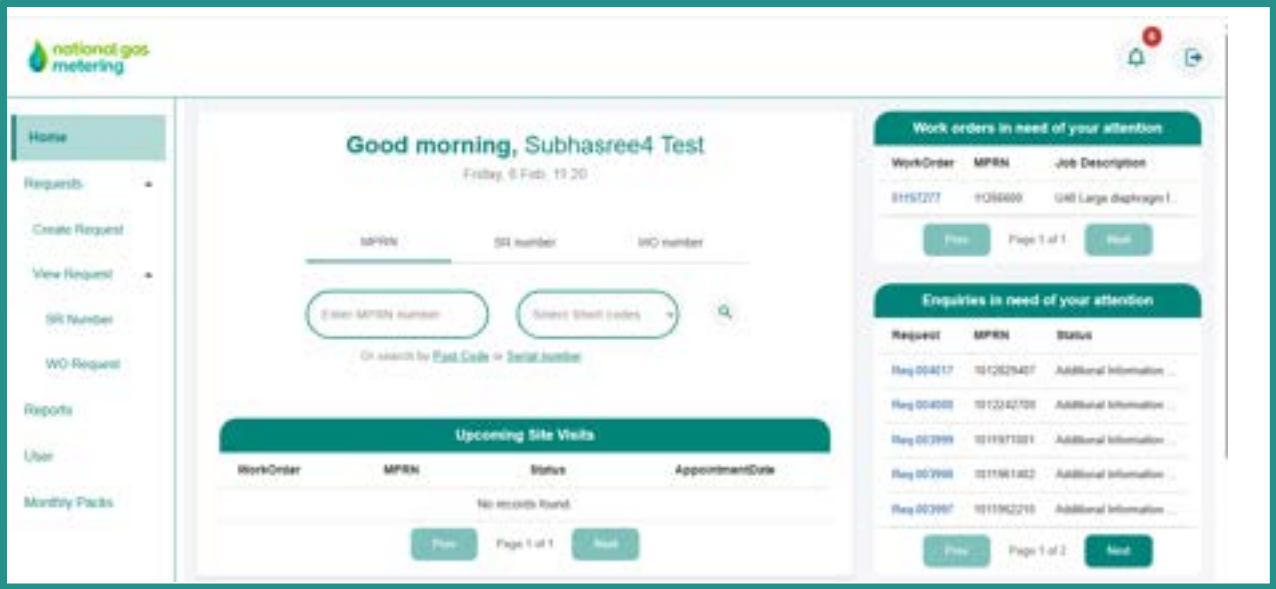

Enter the verification code which is sent to the associate mail id and click on verify code.

Customer Metering Portal

After logging in, the home screen of the customer portal is displayed.

The Home Screen will display the MPRN Search panel in the Centre of the screen.

Navigation to Create Request

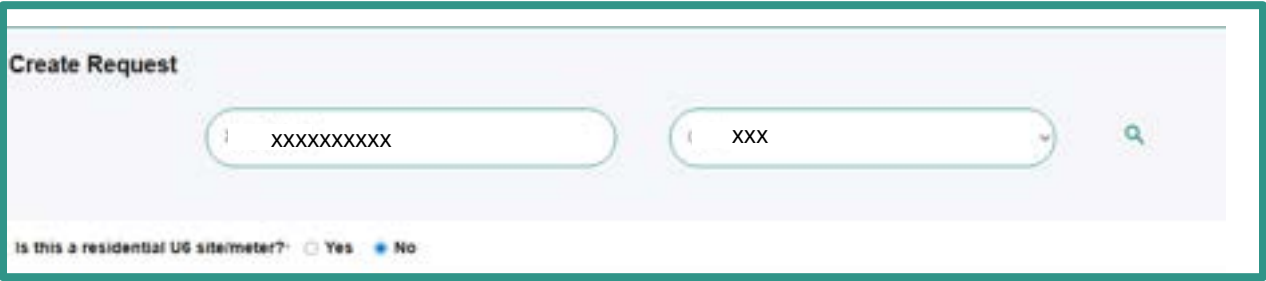

Navigate to Create Request.

Enter the MPRN, select the supplier code from the picklist and click on search icon

Select 'No' to the question “**Is this a residential U6 site/meter?**”

As Rotary meter installation is only done on commercial sites.
