## Purpose

To define the standardized process of viewing status updates for a Non standard Work Request (WR) in the customer portal.

## Procedure to View Status Updates for a Non Standard Work Request

Users can check different status updates of a non standard work request by viewing the raised service request in the customer portal.

Please follow the steps below:

### Raising Non- Standard Work Request - Install Rotary Meter

#### Login to Portal

Open any web browser (chrome/edge) in the system and enter the URL below in the URL bar.

The URL to login to the customer portal is:

<https://ngmcustomerportal.nationalgas.com/customerportal/login?ec> and press enter.

Enter the username and password, click on login.

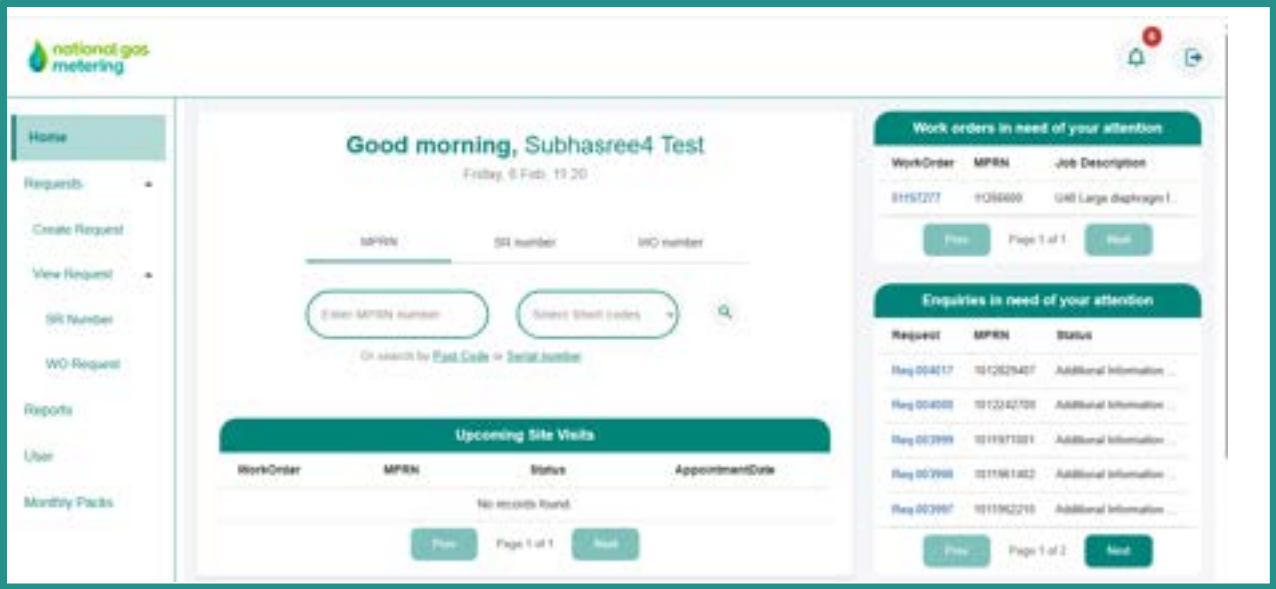

Enter the verification code which is sent to the associate mail id and click on verify code.

# Customer Metering Portal

After logging in, the home screen of the customer portal is displayed.

The Home Screen will display the MPRN Search panel in the Centre of the screen.

## Navigation to Create Request

Navigate to Create Request.

Enter the MPRN, select the supplier code from the picklist and click on search icon

Select ‘No to the question “**Is this a residential U6 site/meter?**”

As Rotary meter installation is only done on commercial sites.

Enter Address details.
