Customer Metering Portal

The screenshot shows the 'Select Start' section with two options: 'Start Now' and 'Pick Date/Time'. The 'Pick Date/Time' option is selected. Below this, there is a calendar for February 2026. The 'Contact details (on-site)' section includes fields for Title, Name, Contact number, Email Address, and Meter access instructions. A dropdown menu for 'Select Appointment slot' is open, showing various time slots from 08:00 to 21:00.

Fill in the Contact details (on-site) information as Title, Name, Contact Number, Email Address (optional), Meter Access Instruction (optional), Upload Photos(optional).

Check the consent box and click on submit request button .

The screenshot shows the 'Contact details (on-site)' section with the following fields filled: Title (Miss), Name (Taylor), Contact number (62891098754), Email Address (taylor56@gmail.com), and Meter access instructions (Call on reaching site for access). There is a file upload area for 'upload Photos (Optional)' with a file named 'Picture1.png' (25.7 KB) uploaded. A green arrow points to the 'Contact details (on-site)' section with the text 'Fill in the contact details'. Below this, there is a consent checkbox labeled 'Please tick here to confirm that consent has been obtained from the named individual for their personal data to be passed to third parties, for the purposes of performing the specified work, by means of a suitable Data Privacy Notice and explicit consent agreement'. The checkbox is checked. A green arrow points to the 'Submit Request' button with the text 'Check the consent box and click on Submit Request'.

Request is created successfully and in the pop up Service request number with Job SLA is displayed

If the user selects Pick date and time while raising Urgent Work Request then the Request submitted pop up also contains the job appointment date and time slot.
